PREFACE

This bibliography was prepared as a resource guide for An Economic Conference for Women held during Spring, 1977 at Purdue University.

Journal articles relating to the topics listed here have not been included. Many of the bibliographic guides in the first section concentrate on the periodical literature. Checking the appropriate periodical indexes will also yield a large number of articles.

Women and the Economy does include a list of periodicals specializing in these subject areas as well as related bibliographies, monographs, and audio-visual materials.
